

REMARKS

With this amendment, Applicant has added claims 41 through 52. Applicant respectfully submits that the present claims have been added to further clarify the invention, and the present amendment has not been made for a substantial reason relating to patentability. Claims 1-52 are pending in the present application.

No new matter has been added. Applicant respectfully submits that all of the claims are supported by the specification, claims, and drawings as originally filed.

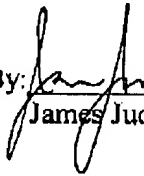

With reference to the Information Disclosure Statement ("IDS") filed on August 17, 2001, Applicant also notes that co-pending application serial no. 09/071,680 is a continuation application which claims priority to U.S. Patent No. 5,636,641 ("Fariabi") cited in that IDS.

The Commissioner is authorized to charge any additional fees that may be required by this paper to Deposit Account No. 06-2425.

Should any question arise, Applicant respectfully requests that the examiner kindly telephone Applicant's attorney of record.

Respectfully submitted,

FULWIDER PATTON LEE & UTECHT, LLP
